

BABYSITTER TRAINING COURSE

Course is offered whenever the demand is there.

The goals of the Babysitter Training Course are to provide the student with up-to-date child care information, the tools to properly communicate with parents, the knowledge for preventing and treating injuries, and managing any other challenges that may arise. The Saskatchewan Safety Council Babysitter Training Course is an excellent way to prepare a young adult for the important demands of the job.

Registration is \$35 + Rec Membership required
