

COMMUNITY CHRISTMAS LIGHT UP

Last Saturday in November

Nothing puts the Christmas magic in your town like Christmas lights and a gathering of people.

The Community Christmas Light up will kick off the Christmas season with a beautifully decorated Centre Street. This event will bring people together to transform an ordinary street into something extraordinary, and create a nice welcoming into town with the lit up evergreens.

Horse-drawn wagon rides, Santa visits, one lucky child will light up the trees with Santa, a Christmas move at Memorial Hall and more!
