

## EASTER EGGSTRAVAGANZA

**Takes place the Saturday before Easter Sunday.**

*Celebrating Easter has become such a fun, community tradition with the annual Easter Egg Hunt. The annual Easter egg hunt features egg hunts for kids aged 1 to 9 in the afternoon, and a flashlight egg hunt in the evening for ages 10+. The flashlight egg hunt, created exclusively for older kids, is done in the dark.*

*This event also includes a visit from the big fluffy guy himself.*

*It will also engage the community through a town-wide scavenger hunt.*

*Tap into trivia and history about the town to test your local knowledge.*

*Grab your baskets and hop over to Lions Park for this egg-citing Easter egg hunt.*

*It will be a hippity-hopping time!*
