

Precautionary Drinking Water Advisory

This Advisory applies to all residents and users of water on Steep Street and Woodland Crescent in the Town of Regina Beach, and is effective:

Immediately on March 22, 2019

Pursuant to the Town of Regina Beach's Emergency Response Manual this Precautionary Drinking Water Advisory is issued due to a water break and therefore the safety of the affected areas of Regina Beach's drinking water supply cannot be ensured at all times. Therefore, consumers must be notified to:

- (a) boil all water, used for drinking purposes, for at least one (1) minute, at a rolling boil, prior to use;
- (b) boil water to be used for other activities where it may be ingested, including:
 - (i) brushing teeth or soaking false teeth;
 - (ii) dishwashing, unless sanitized in another fashion;
 - (iii) washing fruits and vegetables;
 - (iv) food or drink which will not be subsequently heated; and
 - (v) ice cubes;
- (c) not drink from any public drinking fountains supplied with water from the public water supply;
- (d) under most circumstances, no need to boil water used for other household purposes. Adults, adolescents and older children may shower, bathe or wash using tap water but should avoid swallowing the water. Laundry may be washed in tap water, either by hand or by machine.
- (e) ensure that younger children and infants are sponge bathed;
- (f) use an alternative water source known to be safe, if they do not wish to boil the water; and
- (g) consult with your physician if you have cuts or rashes that are severe before using the water.
- (h) upon receiving 2 negative samples from the Provincial Lab this PBWA will be rescinded and you will be notified.
