1. Recruitment of different age groups
 - : ask Kim Becker to speak to the golf ladies
 - : Melissa will post on Facebook
2. June 8th Get Outdoors Summer Kick-Off Event: Melissa indicated she would need 3 additional supervisors for the Dino Bouncers and 2 additional supervisors for the games area. These events will run from 11-2 pm.
3. Fundraising: It was suggested we have 3 Booze Basket events this year. We will make the tickets ourselves and ensure we have a license for each event. The three baskets will be held at one ball tournament, the July 1st celebrations, and the Community Country Fair.
4. The Amazing Race for kids is being held June 9th with a 1:00 pm start time. All has been organized as last years event was cancelled but ready to go. Seven supervisors are needed for this event. Water will be provided at each station.
5. A volleyball tournament was suggested for mid-September 2019 as shirts had been purchased last year but not dated.
6. No regular day for a meeting will be scheduled. Sam will email the committee to set up meetings as needs arise.
